This Vehicle's Glossary

Below are the specific definitions for events that appear in this vehicle's report.

Term	Section Location	Definition
------	------------------	------------

Loan/Lien	Vehicle Use and Event Check	A loan/lien is the legal right to take and hold or sell the vehicle of a debtor as security or payment for a debt. Normally, a vehicle will have a lien due to a loan or unpaid repair bill against the vehicle. Check with the seller to ensure that the lien has been satisfied.
Open Recall	Full History	A recall is considered 'open' for a vehicle when it has not received the required service to correct the safety concern. The vehicle will need to be taken to a repair center that has been authorized by the manufacturer to correct any open recall conditions.
Recall	Full History	A safety recall can be independently conducted by a manufacturer or ordered by the National Highway Traffic Safety Administration (NHTSA). In either case, the manufacturer must file a public report containing a description of the issue, the vehicles involved, and other information including a description of the solution. The manufacturer is obligated to provide a free remedy for vehicles involved in a safety recall.
