- Industry-leading gooseneck hitch rated at 26,000 lbs
- Industry-leading receiver hitch rated at 15,000 lbs
- Available for single & dual rear wheel trucks

GRANITE STANDARD FEATURES

Powder Coating

- Glossy polyester finish with industry-leading adhesion & longevity
- Corrosion & UV resistant
- Formula customized under impact & salt-spray testing for best performance
- Application process formulated specifically for BEDROCK—truck beds are shot blasted to raw, white metal before powder coating for maximum adhesion

Receiver Hitch

- Integrated 2" receiver hitch rated at 15,000 lbs
- Safety chain bracket rated at 15,000 lbs
- Receiver hitch enclosed & welded to frame for greater safety

Tool Boxes

- 4 toolboxes in 8'6" – 9'4" – 11'4" lengths
- 2 toolboxes in 7' lengths
- Door cables rated for 1,700 lbs capacity each

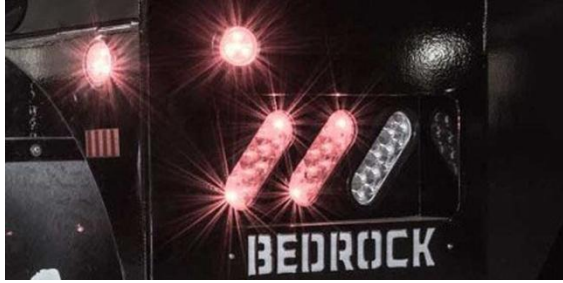

Gooseneck Hitch

- Rated at 26,000 lbs
- Standard 2 5/16" welded ball for safety
- Lid swings open or can be removed
- Spring-loaded safety chain hasps reduce vibration & noise
- Access to install additional trailer wiring plug

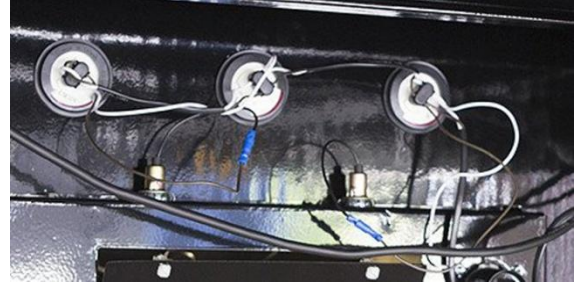

Headache Rack

- Available in rounded or hauler style
- Designed for optimal protection & visibility
- Patent pending adjustable headache rack fits all major truck makes, models & cab styles
- Louvered design allows excellent rear vision
- Cargo light cutout

LED Lights

- Offer longevity & good visibility
- Back-up lights in headache rack double as working lights
- DOT approved

Wiring

- 7 way & 4 way trailer wiring plug
- Trailer plugs recessed next to license plate
- Truck bed is pre-wired with sealed wiring harnesses to protect from moisture & prevent damage

GRANITE BED OPTIONAL FEATURES

Anti-Sail Mud Flap Bracket

- Zinc plated
- Bracket reduces mud flap deflection

Standard Rail Kit

- Two side rails fit the length of the truck bed
- 4" rail height
- Three stake pockets on each rail with predrilled holes for security bolts
- Polyester powder coat matches BEDROCK truck bed

Fold Down Rail Kit

- 4" rail height set fits the length of the truck bed

- Ability to strap load in up or down position
- 2 stake pockets on each rail with quick connect/disconnect pins

Spare Tire Kit

- Mounts directly onto headache rack and truck bed
- Adjustable for different tire sizes
- Hardware included
- Polyester powder coat matches BEDROCK truck bed
- Available for driver or passenger side mount

Center Louver Insert for Headache Rack

- Louver angle matches headache rack for enhanced visibility
- Hardware included
- Polyester powder coat matches BEDROCK truck bed

Plug & Play Wiring

- Simply & quickly connect the truck's wiring to the BEDROCK truck bed
- Waterproof
- No requirement to cut existing wires

L-Bracket for Headache Rack

- Allows equipment to be mounted on the flatbed deck next to the headache rack

- Saves space on the flatbed deck
- Mounts by replacing standard headache rack gusset

Fuel Fill Cover

- Covers unused fuel fill area
- Only available for the Granite and Diamond series truck beds

"T" Handle Latch with Lock

- Stainless Steel
- Lock included with latch
