## SnowDogg™ MD68 Series Snow Plow

**Buyers Part Number:** MD68

**Buyers Products SnowDogg MD68 Snow Plow gives property managers and contractors full size features in a package built for light duty trucks, 1/2 ton trucks, and SUVs.**

- The power you need in a package optimized for your light duty truck, 1/2 ton truck, or SUV.
- Laser-cut steel ribs and a full length 1-3/8 in. cross tube let you power through heavy, wet snow and ice.
- Start fast, finish easy with SnowDogg's Dual Foot Pedal Quick Mount.
- 40° of smooth moldboard tripping action helps protect your equipment and yourself.
- Corrosion-resistant 304 stainless steel moldboard with standard 3/8 inch cutting edge is an investment that lasts.
- Stack snow high with standard heavy duty lift cylinder and Grade 43 lift chain.
- Get the value you deserve with standard cast shoes, digital in-cab controller, snow deflector, and blade guides.
- Clear with speed and agility using the 70° attack angle and 1-1/2 in. angle cylinders.
- Cut through the dark with powerful dual-beam halogen plow lights with secure double post mounts.
- Reliable 2HP power unit, SAE standard cartridge valves, and oversize 3/8 inch rubber hose.
