HYDRAULIC UNIT & DEEP CYCLE BATTERY IN LOCKING FRONT TOOL BOX

**Ultra-Low 24" Dump Bed Height**  
 The DL's optional 24" deck height allows for a 14° load angle, making equipment hauling even easier. It also lowers the center of gravity for improved towing.

**83" Wide Dump Bed**  
 Our generously sized 83" wide dump bed and 6' 6" ramps accommodate a wide variety of equipment, increasing the potential use of the dump bed.

**Single Cylinder Scissor Hoist**  
 The 83" Low-Pro Dump includes a scissor hoist with a single 5" cylinder for increased power and stability.
